BOYCOTT! The Home Depot promotes the homosexual agenda

For several years, The Home Depot has given its financial and corporate support to open displays of homosexual activism on main streets in America's towns.

Rather than remain neutral in the culture war, The Home Depot has chosen to sponsor and participate in numerous gay pride parades and festivals. Most grievous is The Home Depot's deliberately exposing small children to lascivious displays of sexual conduct by homosexuals and cross-dressers. These displays are common occurrences at these events.

The goal of every homosexual organization supported by The Home Depot is to get homosexual marriage legalized. The information below provides just a glimpse of how broad The Home Depot's support for the homosexual movement is.

The Home Depot's track record of support for the homosexual agenda.

- In May, 2011, **Home Depot** Chairman Frank Blake summarily dismissed 500,000 petition signatures presented to him at the company's annual shareholder's meeting in Atlanta. Mr. Blake stated the company would continue supporting homosexual activist groups and activities.
- In June, 2011, **Home Depot** marched in the Boston Gay Pride Parade.
- **Home Depot** placed pro-homosexual displays in store break rooms, while rejecting requests from employees to recognize Christian Heritage month as part of its commitment to "diversity."
- In June 2010, **Home Depot** set up a "Kids Workshop" at several gay festivals and parades.
- In 2009, **Home Depot** allowed employees to wear "gay" buttons on their aprons, but fired an employee for wearing a "One Nation Under God" button.
- **Home Depot** paid to print thousands of color brochures during the 2010 Atlanta Gay Pride Festival with a schedule and map of hundreds of gay pride activities and booths. The brochure prominently featured the promotion for a gay marriage "Commitment Ceremony" at the event.
- In 2009, **Home Depot** gave over \$5,000 to be a major sponsor of the Nashville Gay Pride Festival. It also sponsored parades in Atlanta; Kansas City; Portland, Maine; and San Diego.
- **Home Depot** financially supports Human Rights Campaign, the nation's leading organization pushing for homosexual marriage in America.
