

Give This Christmas Away!

To celebrate the new VeggieTales DVD release, AFR is giving you an opportunity to be a blessing with AFR's "Give This Christmas Away!" We are giving \$1000.00 to a family in real need. Instead of everything we want... lets think how we can give. **Look for details below.**

Our Promotional Partner

[Big Idea, creator of VeggieTales](#), unwraps its third-ever Christmas release: **SAINT NICHOLAS—A STORY OF JOYFUL GIVING** starring Bob the Tomato and Larry the Cucumber as well as other Veggie favorites, Junior Asparagus and Laura Carrot and Nicky the Pepper, the first new VeggieTales character in more than five years. How you can qualify a family

Submit a short explanation about the family you know facing difficult circumstances. Tell us why they could use a gift like this. **Submit your entry below.** A family will be chosen from all submissions. **Entries must be submitted by December 11, 2009. The winner will announce on December 16th.**

How the winner will be chosen

AFR will choose 25 entries from all submissions. A third party such as the Salvation Army will choose the final winner from those entries.

The Grand prize

\$1,000 in Visa cards to be sent to the family in need. AFR will send the gift directly to the family chosen.
